Hyalogy Neck and Decollete essence & cream

Hyalogy skincare duo: neck & decollete cream & essence for delicate skin comprehensive rejuvenation

Two-step system combining serum and cream **with mushroom complex, peptides, and neuroactive components** targets key mechanisms of skin aging. Formulas stimulate collagen synthesis, strengthen skin barrier, provide intense hydration, and improve skin firmness and elasticity, helping to smooth wrinkles, even skin tone, and restore natural radiance of neck and decollete area.

Before/After case studies

Hyalogy neck & decollete essence + cream

Before use

September 24 - 2025
After use

Before/After case studies

Hyalogy Neck & Decollete essence and cream deliver visible and measurable improvements in skins quality within just one month. Instrumental analysis confirmed a significant increase in skin hydration and elasticity, demonstrating the effectiveness of the formulas.

Hydration levels were improved rapidly within first two weeks, while elasticity continued to increase throughout the study period. The results support targeted action of advanced peptide complexes that help strengthen and restore the skin structure. Participants reported high satisfaction with the products, highlighting comfort, fast absorption, firmness and long-lasting hydration – improved overall appearance.

Hyalogy neck & decollete essence

Neck essence with supercharged formula features advanced cellular defence, boosts collagen synthesis and other structural components. Enhances elasticity, visibly firms and smooths neck contour for a rejuvenated appearance.

BENEFITS:

- deeply hydrates;
- reduces wrinkles, improves skin elasticity & firmness
- brightens skin tone, reduces hyperpigmentation and dark spots
- boosts endorphins in the skin, softening the effects of psychological stress on skin aging
- enhances metabolic processes
- soothes & calms complexion: reduces redness and inflammation

INDICATIONS:

- loss of firmness, elasticity, and contour definition in the neck and décolletage
- visible signs of skin fatigue, stress, and a lack of radiance
- presence of fine lines, wrinkles, crepey skin texture
- skin dehydration, dryness
- dull, uneven skin tone and the appearance of hyperpigmentation or age spots

30ml
home care

Hyalogy neck & decollete cream

Cream that reinforces skin's natural defences, shields the protective barrier and actively stimulates collagen and elastin production. By maintaining optimal moisture levels, it helps to minimize the appearance of fine lines and wrinkles.

BENEFITS:

- softens the effect of psychological stress on the skin aging
- reduces wrinkles, improves skin elasticity & firmness
- protects against UV and blue light exposure
- brightens skin tone and reduces hyperpigmentation and dark spots
- strengthens skin's natural defenses by restoring the lipid barrier
- deeply hydrates and forms moisture-locking shield on the skin

INDICATIONS:

- loss of firmness, elasticity, and contour definition in the neck and decolletage
- presence of fine lines, wrinkles, crepey skin texture
- dull, uneven skin tone and the appearance of hyperpigmentation or age spots

home 50 g

Key ingredients

Hyalogy neck & decollete essence:

Unique component:

- Pholiota Microspora Polysaccharides (Pholitect®)
- Tremella Fuciformis (Snow Mushroom) Extract

Barrier function and lipids:

- Squalane
- Lepista nuda (Wood Blewit)

Production of structural/lamellar proteins, skin firming, anti-wrinkle action:

- Trifluoroacetyl tripeptide-2
- Palmitoyl tetrapeptide-7 - rigin™

Cell energy and brightening:

- Ribose, Ergothioneine

Collagen stimulation:

- Palmitoyl Palmitoyl Tripeptide-5 (Syn-Coll®)

Anti-inflammatory:

- Ganoderma Lucidum (Reishi) Extract
- Poria Cocos Extract
- Flammulina velutipes (Enoki)

Hyalogy neck & decollete cream:

Unique component:

- Tremella fuciformis (Snow Mushroom)
- Inonotus obliquus (Chaga)
- Cysteine / Oligomeric Proanthocyanidin,
- Sodium Polygamma-Glutamate

Barrier function and lipids:

- Squalane
- Ceramide NP
- Phytosteryl Macadamiate
- Lecithin

Collagen stimulation:

- Ganoderma lucidum (Reishi)
- Palmitoyl Pentapeptide-4 (Matrixyl™)
- Tripeptide-10 Citrulline (Decorinyl®)

Neuropeptides and muscle relaxation:

- Tephrosia Purpurea Seed Extract (Neurophroline™)
- Acetyl Hexapeptide-8 (Argireline®)
- Pentapeptide-18 (Leuphasyl®)

Anti-inflammatory:

- Phellinus linteus (Sanghuang)
- Glycyrrhiza Glabra Root Extract
- Vaccinium Myrtillus Leaf Extract
